

PRIVACY NOTIFICATION

The privacy of all our Users is very important to us. When you use our Service as an Application User, we (as the Application Publisher) process your Personal Data. This Privacy Notice explains how we protect and process your Personal Data. We recommend that you read it carefully.

1. What is Stated in This Privacy Notice?

The sections in this Privacy Notice inform you about:

- Types of Personal Data processed,
- Purposes of processing Personal Data,
- Places where Personal Data is processed,
- Security measures implemented to protect Personal Data,
- Limits of liability regarding third parties,
- Viewing, changing and deleting your Personal Data,
- Changes to this Privacy Notice;
- What to do if you have questions or comments?

2. Types of Personal Data Processed

1.) Personal Data used by Our Service

We use Anonymous Data to improve our Service. This information will not be made publicly available through the Service.

2.) Automatically Generated Information

Like most other websites and online services, we collect and process automatically generated information about how you use the App. The information collected includes your IP address and/or unique device ID. The App may collect your geolocation information.

This also happens with respect to automatically generated information about how you use the Application. Such information helps us better understand how the Application is used and tailor services to your needs as a user.

3. Purposes of Processing Personal Data

Purposes

The Parties process Personal Data for the following purposes:

To enable you to use the service,

- To keep information about our service up to date,
- To improve and/or customize the service,
- To improve and/or customize the service,
- To recognize you and prevent fraud,
- To provide support,
- To transmit your Personal Data to third parties when you request it from us or when we are legally obliged to do so.

Transmission of Personal Data to Third Parties

We do not sell, trade or rent your Personal Data to third parties without your prior consent. However, we may provide your Personal Data to third parties where it is necessary for us to provide you with your Personal Data or to fulfill your instructions, such as making payments through payment providers for Paid Services.

We may provide “aggregate anonymous data” about the use of the Service to third parties for such purposes as we deem appropriate. “Aggregate anonymous data” is data that cannot be returned to you and therefore does not count as Personal Data. For example, we may use aggregate anonymous data to better understand how Users use the Service.

In the event that we acquire or merge with a third party or undergo a restructuring, your Personal Data may also be disclosed to and/or transferred to such third party. Such third party will have the right to continue to use the Personal Data and other information you have provided to us.

We may disclose your Personal Data where we, in good faith, believe that we are required to comply with a court order, pending judicial proceeding, criminal or civil subpoena, or other legal process or request issued by law enforcement authorities, or to exercise legal rights or defend against legal claims.

4. Places Where Personal Data Is Processed

The data centers where the data processed within the scope of the service is kept are located in different regions. If the service is provided via the Cloud, it is provided using hosting services located on Amazon Frankfurt servers. However, the processed Personal Data may be transferred and stored on storage servers located in a country outside these countries and regions. If the service is provided through a unit institution or organization, it is provided using hosting services located on the institution/organization servers. We will take all reasonably necessary steps to ensure that your Personal Data is used securely and in accordance with this privacy policy.

5. What Security Measures are Implemented to Protect Personal Data?

The security of your data and the security of other Users are very important to us. We have taken technical and organizational measures to protect your Personal Data against loss or any illegal processing. We have implemented the following measures: protecting our servers with firewalls, SSL connections and encryption of sensitive data. This list is not exhaustive.

6. Limits of Liability for Third Parties

Our Service may contain links to services and products offered by third parties and/or hyperlinks to the web sites or services of partners, advertisers and other third parties.

The parties have no control or influence over the content, websites or services of these third parties. Different privacy policies may apply to the use of third party websites and services. This Privacy Statement relates only to Personal Data obtained by the parties through your use of the Service for their own purposes. The parties assume no responsibility for the content, practices or operation of third party websites and services.

7. Security

Measures are implemented to ensure the security of your personal information, to minimize the risk of damage, loss of information and unauthorized access or use of information. However, these measures cannot provide absolute information security. Therefore, efforts are made to ensure the security of your personal information, but this is not guaranteed and you cannot reasonably expect that the Application and related databases will be immune from any wrongful act, malfunction, unauthorized interception or access or other misuse and abuse.

8. Changes to This Privacy Notice

This Statement may be updated at any time. The Parties will post an updated version of the Privacy Statement through the Service. The Parties encourage you to check this page from time to time to be informed of any changes to this Privacy Statement and how the Parties will protect your Personal Data. It is your responsibility and you acknowledge and agree to review this Privacy Statement periodically and to be informed of any updates.

You agree to be bound by any changes to this Notice. Your continued use of the App after the change comes into effect will indicate your acceptance of the changed Notice. If you do not agree to the changed Notice, you must uninstall the App and refrain from further use of it.

11. What to Do If You Have Any Questions or Comments??

If you have any questions or comments regarding this Privacy Notice, please contact us by sending an email. info@pgpara.com you can contact us via the address.
